

Patricia Bishop

Mutual Fund Services Process Improvement Manager

Patricia Bishop is a vice president of Eaton Vance Management and process improvement manager on the firm's mutual fund services team. She is responsible for records management, overseeing and updating policy for the enterprise-wide usage of a fully compliant electronic records management system integrated with related ECM systems. She joined Eaton Vance in 2006.

Patti began her career in the investment management industry in 1990. Before joining Eaton Vance, she was a senior compliance officer with Fidelity Brokerage Services and operations manager with Paine Webber and Co.
