

# Daniel Puopolo

## Managing Director

Daniel Puopolo is vice president and managing director of Advanced Fund Solutions LLC (AFS) and NextShares Solutions LLC, wholly owned subsidiaries of Eaton Vance Corp. He is responsible for capital markets and advising fund sponsors on strategies to develop, launch and operate ETFs using the Clearhedge Method and NextShares® and for providing support to licensees of AFS' and NextShares' intellectual property. He joined Eaton Vance in 1998.

Dan began his career in the investment management industry in 1998. Previously at Eaton Vance, he was vice president and director of investment operations where he led middle office services for the firm's investment teams.

Dan earned a B.A., magna cum laude, from Saint Anselm College.
